

Level T Nipple/Newborn

Purchasing Information for Parents/Caregivers

Made of soft, high-grade silicone, each nipple provides a preferred flow rate. These BPA-free nipples are available for Dr. Brown's® *Zero-Resistance*™ Narrow Bottle Systems. All Dr. Brown's® Nipples have consistent, researched flow rates when used with the internal vent system. Quality control and precision manufacturing provide more dependable and reliable flow rates compared to our competitors.

The Dr. Brown's® Level T Nipples are available for parents/caregivers to purchase online through the following retailers:
