

Soft Touch Bottle Brush

Dr. Brown's® Soft Touch Bottle Brush is the retail version of the Non-Metal Bottle Brush.

- Retail packaging for resale
- Fits easily inside the Dr. Brown's® Microwave Steam Sanitizing Bag
- Chevron tip at base of the handle prevents damage to the nipple during gentle cleaning of the nipple interior and assures hole free of debris
- Suction storage cup to house brush for sink-side storage
- Cannot be steam sterilized (autoclaved)
