

# Nipple Shields with Sanitizer Case

Dr. Brown's® one-of-a-kind nipple shields with sterilizer case to help breastfeeding moms with of latch-on issues.

- Ultra-thin shield feels more natural, with cut-out to maximize skin-to-skin contact
- Additional holes ensure shield is more anatomically correct
- Additional holes help prevent pooling of milk around nipple which can cause soreness and irritation
- All-in-one sanitizer case protects nipple shields and can be used when sanitizing and drying
- Sanitize in microwave to eliminate 99.9% of bacteria, mold and yeast that causes thrush
- Available in two stretch-fit sizes - Size 1: up to 24mm and Size 2: 25mm and up
- Nipple shields are temporary tools to use under supervision and guidance of a Physician, Lactation Consultant or other healthcare provider to ensure proper use
