

Formula Mixing Pitcher

Dr. Brown's[®] Formula Mixing Pitcher makes it easy to prepare formula, with mixing up to four of Dr. Brown's[®] 8 oz/250 mL bottles.

- Unique mixing blade works quickly to blend and dissolve formula without clumping
- Adjustable stopper prevents the mixing blade from lifting above the surface of the liquid to reduce amount of air entering the formula
- Spill-free locking lid
- No-drip spout
- Disassembles with ease for cleaning
- Top rack dishwasher safe
