

One-piece Silicone Pacifiers

Dr. Brown's® Medical One-piece Silicone Pacifiers for preterm and term infants. Supports non-nutritive sucking skill development. Assists in infant state regulation and organization. Developmentally appropriate and offers the same shape as Dr. Brown's® Narrow Nipple for a consistent experience.

- Shield is molded in a contour shape
- Unique cut-out on shield accommodates CPAP, feeding tubes and nasal cannulas
- Adheres to the American Academy of Pediatrics suggestions for one-piece pacifiers
- Passes all CPSIA requirements (Physical and Chemical)
- Dishwasher, microwave steam bag, and steam sterilization (autoclave) safe
- BPA free
