

Narrow Nipples

Made of high-grade silicone, each nipple level provides a preferred flow rate and comes with a universal collar. Designed for all Dr. Brown's® Zero-Resistance™ Narrow Bottle Systems.

- Quality controlled to assure dependable, reliable flow rates
- Consistent, researched flow rates when used with the internal vent system
- Eight (8) nipple flow levels with three (3) slower flow options
- Flow rate imprinted on nipple
- Dishwasher, microwave steam bag, and steam sterilization (autoclave) safe
- Universal threading designed to fit most electric breast pumps
- BPA free
