

# Non-Metal Bottle Brush

Dr. Brown's® Non-Metal Bottle Brush is a multi-functional cleaning tool for use with all Dr. Brown's® products and can be sanitized in the microwave steam bags.

- Easily fits inside the Dr. Brown's Microwave Steam Sanitizing Bag with the full bottle system, internal vent system and nipples for effective sanitization every 24 hours
- Chevron tip at the base of the handle prevents damage to the nipple during gentle cleaning of the nipple interior
- Suction storage cup to house brush for sink-side sanitary storage
- Cannot be steam sterilized (autoclaved)
- BPA free
