

# Wide-Neck Nipples

Used with the Zero-Resistance™ Bottle System, Dr. Brown's® nipples provide consistent and safe oral feeding experiences.

- Compatible with all Dr. Brown's® Wide-Neck Bottle Systems
- Quality controlled to assure dependable, reliable flow rates
- Nipple flow rates same as narrow version
- Safe for dishwasher (top rack only), microwave sanitization, electric sterilizer, and steam sterilization (autoclave)
- 100% silicone
- BPA free

\*Always use the Internal Vent System with Premie Flow™ Nipple

Each unit is individually wrapped and assembled with a collar.
